*Original means that the exhibit/artwork was done/executed by the student. However, the use of existing/commercially available patterns as basis for exhibits/arts are acceptable – commonly done in needlecraft. Artist may paint/draw by copying from a photograph or any printed material. Photography should be the sole work (shot) of the student. Downloaded pictures are not acceptable in any photography category. For Science and Social Studies exhibits, sources – designs, diagrams, collections, research materials – must be properly acknowledged.
